- I understand that as the Customer, I will be supplied with pre-printed taxi vouchers. An individual voucher must be given to the driver for each trip. The Customer is responsible for completing the information on the voucher.
- I understand and agree that the customer is solely responsible for the pre-printed vouchers in their care. Casino Taxi will not be responsible for unauthorized use of taxi vouchers by the organization's employees, clients, friends, etc.
- I understand that all chits used will be billed to my account. Casino Taxi will purchase the taxi chit from the driver at face value and invoice accordingly. The used chits will be scanned, and images included with your invoice.
- Invoices are prepared not later than 10 days after the end of the month in which your party has taken place. Payment is due upon receipt of our invoice.
- **An account administration fee of \$25.00 (+HST) will be added to your invoice.**

Your group may use our Casino Taxi Mobile Booking App, available in Google Play or the Apple App Store, which allows you to request your taxi, see when your specific cab is assigned, and then track your cab on a map, or they may call our 24Hr dispatch office at (902) 425-6666 or (902) 429-6666 to place their taxi request. Please note that during peak times (Friday & Saturday nights) and during poor weather conditions, we cannot guarantee your taxi within a pre-determined amount of time. Waiting times are generally longer during these peak volume times. Your patience and understanding is greatly appreciated in this respect.
